

2024

8th

INTERNATIONAL HYBRID POWER PLANTS & SYSTEMS

WORKSHOP

14-15 MAY '24

AZORES
PORTUGAL

organized by energynautics

The bookable Online Service-Packages for the 8th International Hybrid Power Plants & Systems Workshop are defined as follows:

8th International Hybrid Power Plants & Systems Workshop - Virtual Event Tickets – 14 – 15 May 2024

All full virtual conference tickets allow access to the Zoom transmission of the A-Track of the 8th International Hybrid Power Plants & Systems Workshop that takes place from 14 – 15 May 2024 on the Azores. They also allow access to the recordings of all sessions (A, B and C sessions) for viewing for 4 weeks after they have been uploaded to a video on demand platform.

Full virtual conference tickets also include digital papers of the 8th International Hybrid Power Systems Workshop. The event agenda is preliminary: speakers, sessions and presentations are subject to change until the event date.
