

Renewable Energy Grid Integration Week

E-Mobility | Solar & Storage | Wind

VIRTUAL
&
ON-SITE!

27 - 30 SEP
2021

 BERLIN
GERMANY

organized by energynautics

The Specific Online Service-Packages are defined as follows:

Conference Bookings

5th E-Mobility Integration Symposium - Virtual Tickets – 27 Sept 2021

All full virtual conference tickets (Speaker, Student, Regular Participant, Sponsor, Partner) allow access to the Zoom transmission of the 5th E-Mobility Power System Integration Symposium on 27 September 2021 that takes place in Berlin. They also allow access to the event's recordings for viewing for 4 weeks after they have been uploaded to a video on demand platform. Full virtual conference tickets also include digital proceedings of the 5th E-Mobility Power System Integration Symposium. The Event agenda is preliminary: speakers, sessions and presentations are subject to change until the event date.

11th Solar & Storage Integration Workshop - Virtual Tickets – 28 Sept 2021

All full virtual conference tickets (Speaker, Student, Regular Participant, Sponsor, Partner) allow access to the Zoom transmission of the 11th Solar & Storage Integration Workshop on 28 Sept 2021 that takes place in Berlin. They also allow access to the event's recordings for viewing for 4 weeks after they have been uploaded to a video on demand platform. Full virtual conference tickets also include digital proceedings of the 11th Solar & Storage Integration Workshop. The Event agenda is preliminary: speakers, sessions and presentations are subject to change until the event date.

20th Wind Integration Workshop - Virtual Tickets – 29 – 30 Sept 2021

All full virtual conference tickets (Speaker, Student, Regular Participant, Sponsor, Partner) allow access to the Zoom transmission of the 20th Wind Integration Workshop from 29 - 30 September 2021 that takes place in Berlin. They also allow access to the event's recordings for viewing for 4 weeks after they have been uploaded to a video on demand platform. Full virtual conference tickets also include digital proceedings of the 20th Wind Integration Workshop. The Event agenda is preliminary: speakers, sessions and presentations are subject to change until the event date.
