

The separately bookable Online Service-Packages of the Renewable Energy Grid Integration Week 2022 are defined as follows:

Conference Bookings

6th E-Mobility Integration Symposium – Virtual Tickets – 10 October 2022

All full virtual conference tickets (Speaker, Student, Regular Participant, Sponsor, Partner) allow access to the Zoom transmission of the 6th E-Mobility Power System Integration Symposium on 10 October 2022 that takes place in The Hague, Netherlands. They also allow access to the event's recordings for viewing for 4 weeks after they have been uploaded to a video on demand platform. Full virtual conference tickets also include digital papers of the 6th E-Mobility Power System Integration Symposium. The Event agenda is preliminary: speakers, sessions and presentations are subject to change until the event date.

1st Hydrogen Power System Integration Symposium – Virtual Tickets – 11 October 2022

All full virtual conference tickets (Speaker, Student, Regular Participant, Sponsor, Partner) allow access to the Zoom transmission of the 1st Hydrogen Power System Integration Symposium on 11 October 2022 that takes place in The Hague, Netherlands. They also allow access to the event's recordings for viewing for 4 weeks after they have been uploaded to a video on demand platform. Full virtual conference tickets also include digital handouts of the 1st Hydrogen Power System Integration Symposium. The Event agenda is preliminary: speakers, sessions and presentations are subject to change until the event date.

21st Wind & Solar Integration Workshop - Virtual Tickets – 12 – 14 October 2022

All full virtual conference tickets (Speaker, Student, Regular Participant, Sponsor, Partner) allow access to the Zoom transmission of the 21st Wind & Solar Integration Workshop from 12 – 14 October 2022 that takes place in The Hague, Netherlands. They also allow access to the event's recordings for viewing for 4 weeks after they have been uploaded to a video on demand platform. Full virtual conference tickets also include digital papers of the 21st Wind & Solar Integration Workshop. The Event agenda is preliminary: speakers, sessions and presentations are subject to change until the event date.

Accompanying Events Booking

VRE Tutorial: Lessons Learned from Grid Integration of Variable Renewable Energies – Virtual Tickets

11 October 2022: afternoon

(Minimum number of participants: 7)

All tickets (Speaker, Student, Regular Participant, Sponsor, Partner) allow access to the Zoom transmission of the VRE Tutorial that takes place in the afternoon of 11 October 2022 in The Hague, Netherlands as well as the recordings for viewing for 4 weeks after they have been uploaded to a video on demand platform. The Event agenda is preliminary: speakers, sessions and presentations are subject to change until the event date.

E-Mobility Tutorial: Grid Integration of Electric Vehicles: Status and Experiences

11 October 2022: morning

(Minimum number of participants: 7)

All tickets (Speaker, Student, Regular Participant, Sponsor, Partner) allow access to the Zoom transmission of the E-Mobility Tutorial that takes place in the morning of 11 October 2022 in The Hague, Netherlands as well as the recordings for viewing for 4 weeks after they have been uploaded to a video on demand platform. The Event agenda is preliminary: speakers, sessions and presentations are subject to change until the event date.

FR Tutorial: Immittance and Frequency Response of Inverter-Based Resources

11 October 2022: morning

(Minimum number of participants: 10)

All tickets (Speaker, Student, Regular Participant, Sponsor, Partner) allow access to the Zoom transmission of the FR Tutorial that takes place in the morning of 11 October 2022 in The Hague, Netherlands as well as the recordings for viewing for 4 weeks after they have been uploaded to a video on demand platform. The Event agenda is preliminary: speakers, sessions and presentations are subject to change until the event date.
